

Flood Insurance Call For Action Is A Success!

Thanks to everyone who participated. There is now a 5-year reauthorization of the national flood insurance program.

We are pleased to report that the House of Representatives passed a five year reauthorization of the National Flood Insurance Program by a vote of 406-22 (HR 1309) late Tuesday night 7/12/11). This major step forward was due in great part to REALTORS® like you being heard on this issue and sending a letter to your U.S. Representative.

We still have a ways to go before we are finished on this issue, as the Senate has not yet acted. So please encourage your fellow REALTORS® to take action if they have not yet done so as the Call for Action is still active for the U.S. Senate. Just direct them to the [REALTOR® Action Center](#) to take action.

We will keep you informed on any future steps if they are needed in the Senate. Thank you again for your participation and support of our efforts on your behalf.

With much appreciation,

NAR Government Affairs and
NAR Community and Political Affairs
