

As REALTORS® we are all in this situation together. While no plan is a one size fits all the one thing, we can all agree on is the need for consistency in guidelines to stabilize the housing market.

We understand some Members have attempted to make direct contact with Legislative Consultants, a lobbying firm under contract to work for, and at the direction of the Alaska REALTORS®.

Alaska REALTORS® have established policies and procedures for submitting legislative requests by any REALTOR® member. Therefore, Alaska REALTORS® suggests any member wishing to request changes or suggestions to the COVID-19 Action Plan follow the process outlined below:

1. Contact your local Board President and/or Association Executive and submit your legislative suggestions or requests. Your **local** board will then relay legislative requests to the **Alaska REALTORS® Legislative Committee** for review.
2. If your **local** board does not respond, you may send your legislative suggestions or requests to your **state** board AR President, Evelyn Arnott.

Please do not contact Legislative Consultants. They are not able to field phone calls and emails from individual members.

If an individual Member or company wishes to retain the services of a professional legislative consultant (lobbyist), they should independently contract with a business that provides those services, at their own expense.

If you have any questions or concerns, please do not hesitate to contact your state or local board Presidents.

2020 Alaska REALTORS® Board of Directors
